DHRUV DIAGNOSTICS | NAGPUR

Athlete & Physique Health Check-Up

Know your engine
Protect your frame

Cardiac, lipid, tendon and hormonal screening for people who train hard.

Four high-end tests, one personalised plan

TMT

Treadmill stress test

Heart rhythm, ST response, blood pressure and functional capacity at full effort.

NT-proBNP

Cardiac strain marker

Your personal baseline, trended year on year and sampled rested.

Apo B

Count the particles

A direct count of artery-entering particles, more honest than LDL-C alone.

USG

Tendon & ligament scan

Shoulder, elbow, hip, knee or ankle. Radiation-free, real-time, same visit.

Also in your plan

- Haemogram, ferritin, vitamin D, B12, HbA1c
- Lipids, Lp(a), liver, cystatin C kidney
- Hormone axis panel and hs-CRP
- Physician review, athlete-specific interpretation
- Confidential; repeat every 6-12 months

FOR WOMEN ONLY AT THIS TIME

Recovery Club

Sauna, spa and health club for recovery between sessions, released after cardiac and BP screening. Men's facilities are not available yet.

Book your Athlete & Physique Check-Up

Dhruv Diagnostics, Nagpur | By appointment | Fast 10-12 hours

Laboratory tests in a NABL-accredited laboratory. Screening programme; not a substitute for clinical consultation and not an anti-doping service.
